Welcome to Front Range Community College! Whether you're a graduating high school senior, a transfer student from another college, an international student or in the military, applying to FRCC is easy.

Select your status from the list below to see your next steps for admission and enrollment.

New College Student
You are graduating high school or have a diploma or GED and want to attend college for the first time.

New Student 23+ years old
You are 23 or older and may or may not have a degree. See your next steps.

High School Student
You are a high school student taking college classes while in high school.

Transfer from Another College
You have taken college classes at another college or university and are transferring to FRCC.

Guest Student
You want to take a few classes to transfer back to another college or take classes for personal or professional development.

Returning FRCC Student
You are a previous FRCC student and are returning after more than one year.

Once registered, you will receive a student number (S number) and access to ewolf, the student portal. Ewolf is where students can register for classes.

Search for 'FSW' and the class options will appear.

For questions regarding course content contact jennifer@emberalliance.org

For questions regarding registration contact Jennifer.Lee@frontrange.edu

Please watch the tutorials on registering for classes.

How to Register for Classes at FRCC

After you've been accepted to Front Range Community College, it's time to enroll for classes! See how to register for class below.

Find Classes Offered

There are a few ways to see and make your Front Range Community College class schedule:

1. Online Class Search: Search for classes by subject and see the days and times specific classes are offered each semester.
2. College Catalog: Find class descriptions, degree requirements and college policies.
